

## Applicant walkthrough of the Good Grants portal

**ARIA funding  
calls**

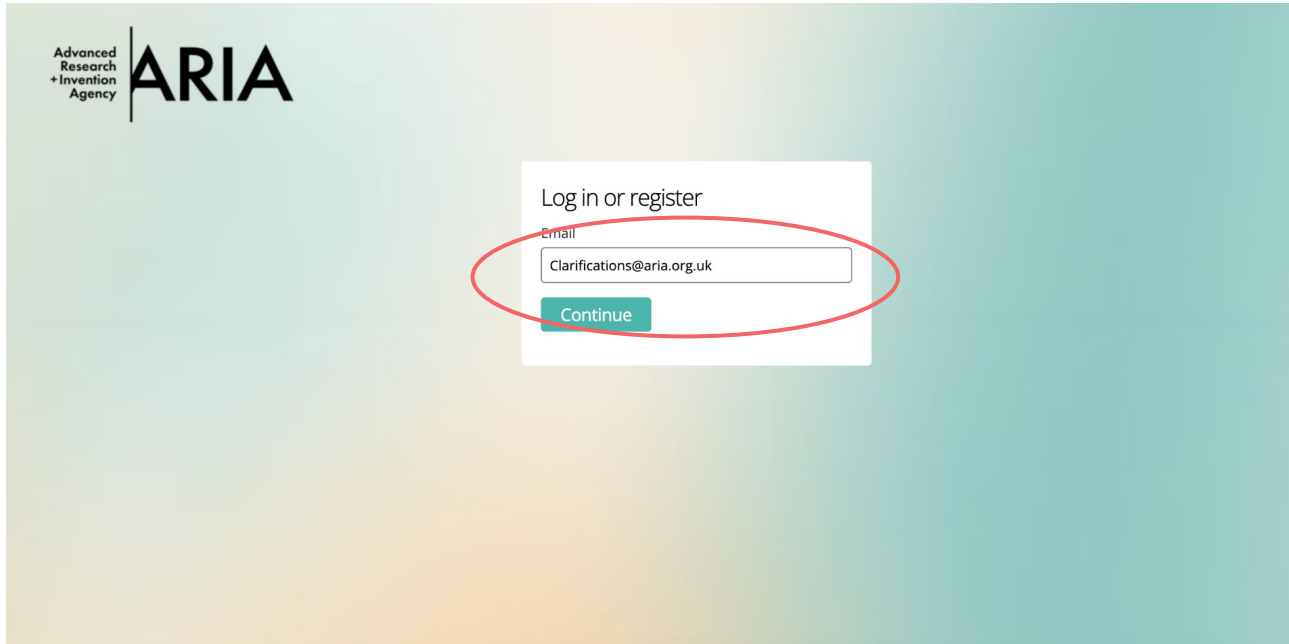

This is the landing page for our application portal: <https://aria.grantplatform.com/>

The screenshot shows the ARIA landing page. At the top left is the ARIA logo with the text 'Advanced Research + Invention Agency'. Below the logo is a navigation menu with 'Home' and 'Useful links'. To the right of the navigation is a 'Log in or register' section with an 'Email' input field and a 'Continue' button. The main content area is divided into two sections. The top section is titled 'Advanced Research and Invention Agency' and 'About ARIA', with a sub-header 'Unlocking scientific and technological breakthroughs that benefit everyone, ARIA funds teams of scientists and engineers to pursue research at the edge of what is technologically or scientifically possible.' Below this is a paragraph: 'To maximise our chances of widespread impact, we are aligning the research we fund with viable paths to deployment and by minimising barriers to scale.' The bottom section is titled 'Live funding opportunities' and contains the text 'Check out our live funding opportunities below'. A horizontal line separates this from a specific opportunity: 'Scaling Compute: AI at 1/1000th the cost (concept papers)', with a 'Start application' button below it.

For your first time using the portal you will need to register.

Enter your email address and click continue.

**Important information** ▾

**Guidelines**

Before submitting your application, please:

- Read the funding call documentation available on our [website](#).
- Read our [how we fund page](#) and [our funding FAQs](#).
- Make sure all your personal details are entered accurately, including contact details.

**Deadline**

The application deadline is final and no extensions will be provided - the system will automatically prevent application submissions after the deadline.

**Support**

If you have any questions relating to the call or the application process, please submit them by sending an email to [clarifications@aria.org.uk](mailto:clarifications@aria.org.uk).

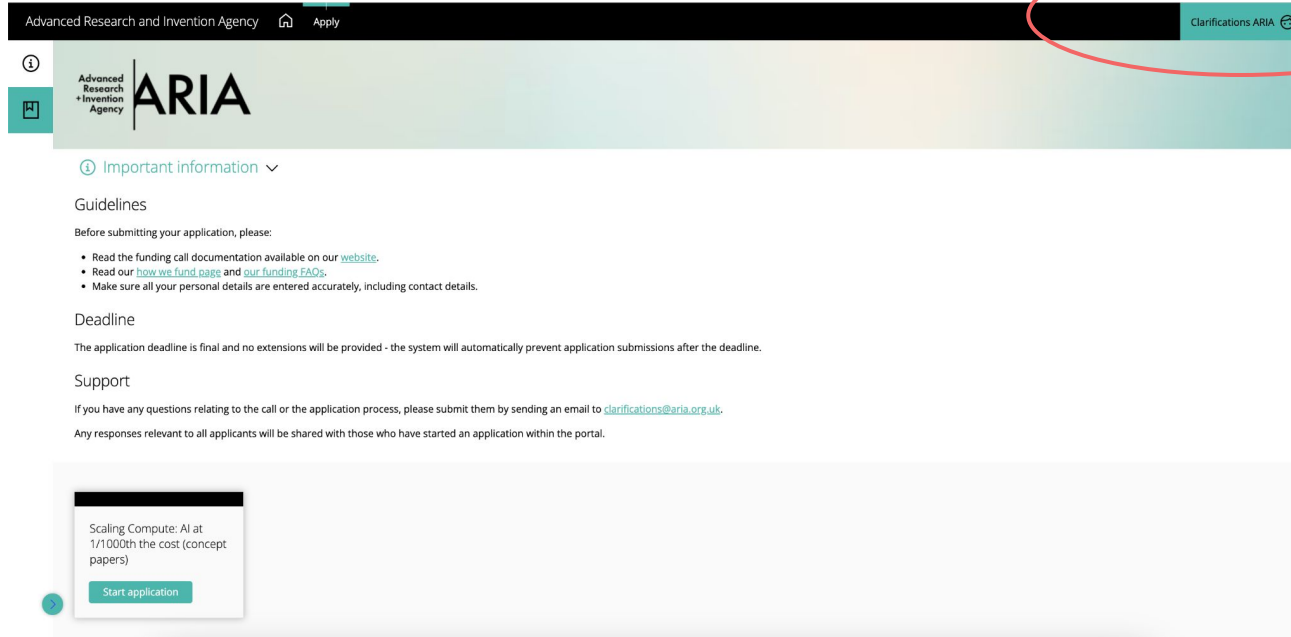

Any responses relevant to all applicants will be shared with those who have started an application within the portal.

Scaling Compute: AI at 1/1000th the cost (concept papers)

In the top right hand corner you will see your name,

The screenshot shows the ARIA portal interface. At the top, there is a dark navigation bar with the text "Advanced Research and Invention Agency" and "Apply" on the left, and a user profile dropdown menu on the right. The dropdown menu is highlighted with a red oval and contains the text "Clarifications ARIA" and a circular arrow icon. Below the navigation bar is a light green header with the ARIA logo and a teal sidebar on the left. The main content area is white and contains a section titled "Important information" with a dropdown arrow. Underneath, there are sections for "Guidelines", "Deadline", and "Support". At the bottom, there is a white box with a teal "Start application" button. The text inside the box reads: "Scaling Compute: AI at 1/1000th the cost (concept papers)".

Click on your name then “Profile”,

The funding calls that are currently live will be displayed here:

The screenshot shows the ARIA website interface. At the top, there is a navigation bar with 'Advanced Research and Invention Agency' on the left, a home icon, an 'Apply' button, and 'Clarifications ARIA' on the right. Below the navigation bar is a header section with the ARIA logo and a teal gradient background. Underneath the header, there is a section titled 'Important information' with a dropdown arrow. This section contains three sub-sections: 'Guidelines', 'Deadline', and 'Support'. The 'Guidelines' section includes a list of instructions for applicants. The 'Deadline' section states that the application deadline is final. The 'Support' section provides an email address for questions. At the bottom of the screenshot, a card for a funding call titled 'Scaling Compute: AI at 1/1000th the cost (concept papers)' is shown, with a red oval highlighting the 'Start application' button.

Your application has three main sections:

“Tell us about yourself”, “Technical Concept” and “Timeline, Budget and Additional Questions”.

The screenshot shows a web application interface with a navigation bar at the top containing five tabs: 'Start here', 'Tell us about yourself' (which is highlighted in black), 'Section 1: Technical Concept', 'Section 2: Timeline, Budget and Additional questions', and 'Equality, Diversity and Inclusion'. Below the navigation bar, the 'Tell us about yourself' section is active, indicated by a blue circle with a question mark and a dropdown arrow. The section contains the following text and form fields:

- A heading: "Tell us about yourself" with a blue circle and a dropdown arrow.
- Instructional text: "Please complete this section to provide some basic information about yourself."
- Privacy notice: "All personal data provided to ARIA will be processed in accordance with UK data protection legislation, including the Data Protection Act (2018) and the General Data Protection Regulation (GDPR). Further information on how we use personal data and how you can exercise your right as a data subject can be found in the [ARIA Privacy Policy](#)."
- Form fields:
  - "Please provide the lead applicant's name" with a character count of "0 / 100 characters".
  - "Please provide the lead applicant's email address".
  - "Please provide a link to your personal, or your organisation's website" with a placeholder "https://".
  - "If you would like to provide an alternative point of contact that we should use for any communications, please provide their name. (optional)".
- A question: "Where are you currently located?" with radio button options for "UK" and "Non-UK".
- A note at the bottom right: "Tell us where you are currently based, not where you intend to carry out the proposed project."

Please go through each of the questions and tabs answering all questions and uploading any requested documents

Don't forget to press save before you move to the next page. If you want to save your application and come back to it press save and close.

If you would like to provide an alternative point of contact that we should use for any communications, please provide their name (optional)

Where are you currently located?

- UK  
 Non-UK

Tell us where you are currently based, not where you intend to carry out the proposed project.

Do you intend to carry out the project as part of an organisation or as an individual?

Please select the option that best describes your situation and provide details where required.

For guidance on the different types of organisations, please see here [\[INSERT LINK TO DOC\]](#).

Ideally you should have your organisation's consent prior to submission of your proposal. We realise this isn't always possible, so we don't require it in order to submit a concept paper. However, if after reviewing your concept paper we encourage you to submit a full proposal and you wish to conduct the research at your organisation, we will need their consent to formally agree the funding.
