

## Programme Call – Concept Papers Guidelines

### How to format your proposal

- Page count: a maximum of three pages, (including diagrams) single line spacing, standard character spacing (neither expanded nor condensed)
- Font: Arial. Colour: black: Size: 11-point font or larger
- Margins: At least 0.5" margins all around
- File Type: PDF

### Section 1: Technical concept

Proposers are required to provide a concept paper no longer than 3 pages in length that outlines:

- Which Technical Area you seek to pursue (TA1 Bold Solutions, TA 2 Bold ideas or TA3 Software Simulations).
- A brief summary of the proposed research project, and how it supports the technical objectives of the chosen pathway.
- A description of the technical approach or methodology that will be employed to address the research objectives. Including:
  - A description of the technology proposed.
  - Any data or scientific rationale to support your proposed concept - supporting data, journal articles, blogs, code or other materials may be referenced or linked to in the submission if they directly support your paper.
  - Identification of the technical challenges or obstacles that must be overcome to achieve the research goals. This includes potential risks and mitigation strategies.
- An overview of the proposed activity of work, any key metrics and milestones and any dependencies and assumptions
- An overview of the proposed project team including information about the expertise of the research team, relevant experience, skills, and capabilities.

### Section 2: Timeline, Budget and Additional questions

In completing your application you must also provide answers to the following questions. Answers to these questions are not included in the 3 page cap. You should complete these questions in the application portal so there is no need to format these in a specific way.

## Budget: How much funding do you need?

Please complete the table below providing an estimate in GBP (inclusive of VAT where applicable and all other costs) of what you consider a reasonable funding amount for your project. It's ok if you're not sure – give your best estimate.

Cost Type	Budget (£ Inc VAT)
Labour	
Materials	
Subcontract	
Equipment & Facilities	
Travel	
Other	
<b>Subtotal</b>	
Indirect Costs	
<b>Total</b>	

At the full proposal stage we will ask you to complete a summary cost template which can be downloaded [here](#).

Prior to contract signature when the scope of work has been agreed we will ask for a detailed cost breakdown which can be found [here](#).

## Timeline and additional questions:

Question	Guidance
Are you proposing to contribute funding?	<p><i>(Where you or your organisation are proposing to contribute funding to the project please let us know. If yes, tell us how much funding you/your organisation plan to contribute.</i></p> <p><i>ARIA will fund 100% of project costs and contribution of funding is not essential however, we welcome proposals that contribute funding in cases when such funding will strengthen the potential success. In these cases, this funding</i></p>

	<i>contribution will be considered as part of the overall strength of the project proposal)</i>
<b>How many months will you need to work on your proposed project?</b>	<i>(There is no minimum length for a proposed project. The maximum length is 48 months)</i>
<b>Are you planning to give a portion of the work to external subcontractors?</b>	<i>(If yes, let us know what work you plan to give to a subcontractor. Subcontractors are any proposed third parties that you plan to enter into a contract or agreement with for services necessary for the delivery or management of the project)</i>
<b>Are there any conflicts of interest?</b>	<i>(Please provide a short description of any potential conflicts of interest)</i>
<b>Are there any other factors or restrictions that might impact your freedom to operate and deliver the project?</b>	<i>(Please provide a short description of any import/export restrictions; security, ethical, legal and regulatory restrictions that you are aware of)</i>
<b>For non UK Applicants only</b>  <b>How does your proposed project contribute to the programme in the UK?</b>	<i>(Our primary focus is on funding those who are based in the UK. However, funding will be awarded to organisations outside the UK if we believe it can boost the net impact of a programme in the UK. If you are a non-UK applicant, you must therefore outline any proposed plans or commitments that will contribute to the programme in the UK within the project's duration – note the maximum project duration is 4 years. Please provide a brief summary of your proposed plans or commitments)</i>
<b>Additional questions about you/your organisation that can be found in the application portal.</b>
